

**QUALITY DOES NOT NEED AN IMAGE, IT IS THE ORGANIZATION'S
AND ITS PRODUCT'S IMAGE THAT NEEDS QUALITY.**

MASTER PROGRAMME QUALITY MANAGEMENT (QM)

(Master's degree in Management)

FACULTY OF ECONOMICS VILNIUS UNIVERSITY

FULL-TIME STUDIES IN ENGLISH

Length of the programme: 1,5 years

Tuition fee per year: 2600 EUR (EU citizens) / 3400 EUR (non-EU citizens)

QM programme is delivered since 1997 and it is the only quality management programme offered at Lithuanian universities. In 2013, during the international accreditation conducted by The Centre for Quality Assessment in Higher Education (<http://www.skvc.lt>) **QM programme was accredited for 6 years**. International accreditation experts have indicated that QM programme has strong links with the business and the curriculum is in line with analogous programmes of Western universities.

In 2015 Eduniversal global ranking, among the top 200 best masters in general management QM programme was ranked 8th in Eastern Europe!

90 percent of students and graduates would recommend QM programme to others.

Career opportunities

A graduate of QM programme will be qualified to work as a quality manager, quality auditor, process manager, Lean expert, EFQM assessor and expert of ISO and other standards, to work as a consultant, to continue studies on a doctoral level.
